1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Ambegaon Taluka Vidya Vikas Mandal was established in 1954 at Ghodegaon, Tal-Ambegaon, Dist-Pune in Maharashtra state, with a vision and mission to impart education to the children of downtrodden and deprived sections of the society. Our institution tried to transform the lifestyle and standard of living of the society by providing education. Our management has been following the footsteps of great social reformers like Mahatma Phule, Dr. Babasaheb Ambedkar, and Bhaurav Patil who rendered noble services for the educational development of the weaker section of society. Our institution established educational sister institutes covering the large area of tribal villages.

At present, our institution runs the following branches:

1. Janata Vidya Mandir and Junior college with MCVC, Ghodegaon
2. Extension Branch of Janata vidya Mandir sal
3. Muktai Prashala, Pimpalgaon
4. New English School, Ghodegaon
5. B.D Kale Mahavidyalaya, Ghodegaon
6. Janata Boy's Hostel, Ghodegaon

B. D Kale Mahavidyalaya was established in 1989, affiliating to the University of Pune. After taking into account the need for commerce education, the commerce faculty was started in 1989 and Arts faculty in 1991. To meet the need of parents and students, the college started arts faculty and then P.G courses: M.A.(Marathi) and M.Com. In order to make the students expert in the computer system, the college started the bachelor of computer application, a degree course under commerce faculty and B.Sc.

Vision

To provide Qualitative Education for the youth through Modern Technology for their overall development

Mission

Our mission statement aims at trying to uplift the downtrodden, backward, tribal and weaker sections of Ambegaon Taluka through Higher Education. To empower the illiterate, deprived and uneducated masses by educating them social, political, economic and cultural awareness, is our collective aim.

CRITERIA WISE SUMMARY

Curricular Aspects

The college is affiliated to Savitribai Phule Pune University. The curriculum, admission, and evaluation processes are followed as per the norms and rules of Government of Maharashtra and Savitribai Phule Pune University. Therefore, curriculum planning and its implementations have certain restrictions. The college takes feedback and tries to understand the curriculum, its strengths, and weaknesses. The college has conducted one workshop on the restructuring of the syllabus. The teachers of different departments have participated in such kind of seminars based on syllabus structuring. The departments in the college invite guest lecturers to motivate and support the students. Almost all the departments in the college make use of ICT for enriching the knowledge of students with the help of different websites, online talks, ppts and online notes. The commerce lab and language lab help the students know various concepts, terms, and ideas related to their curriculum.

Teaching-learning and Evaluation

The college has an admission committee, which follows all the norms of reservation while finalizing the admissions. The office has started online admission process as per the norms laid down by Savitribai Phule Pune University and state government of Maharashtra. The teachers have been motivated to participate in conferences. Some teachers have participated and presented their research papers at international conferences in countries like Japan, Poland, Nepal, and Srilanka. The college has provided free access for students in the library and in their respective departments. The INFLIBNET access has been provided to the students for enhancing their understanding through recent reference material available. The college has a language lab which has been utilized for improving communication skills and for enhancing knowledge through various useful websites. The slow learners and advanced learners have been listed and supported with library facilities, and departmental counseling.

Research, Innovations and Extension

Research has become an integral part of higher education. We have a research coordination committee which takes initiative to motivate the teachers and students for doing research. The research schemes of UGC & BCUD have been circulated among the teachers to help them know the procedure and technicalities. The students participate almost every year, in the university research activity 'Aavishkar'. The students have been assigned some research projects by Commerce, History and Geography department in the college.

The college provides free ICT facilities to all the departments and students for inculcating scientific temper and research culture among them. The library has displayed some passwords for the students and teachers for the easy access of INFLIBNET for viewing and studying online journals. The Ph.D. teachers in the college are increasing as many teachers have completed their Ph.D. and few are trying to pursue it. One teacher in our college is on FIP.

Infrastructure and Learning Resources

The college has its own campus with adequate facilities. It is utilised for the development of the students through various curricular and co-curricular activities. The college tries to provide better facilities for the students and staff. These facilities are as follows:

- ◆ Spacious classrooms
- ◆ Two seminar halls
- ◆ Well equipped BCA lab, Commerce lab & digital English language lab
- ◆ Open access to INFLIBNET
- ◆ Parking for all
- ◆ CCTV security to ensure safety and security
- ◆ Generator
- ◆ Hostel
- ◆ Xerox facility
- ◆ Book bank facility
- ◆ Library building
- ◆ Canteen
- ◆ Cooperative store
- ◆ Departmental computers with internet and printers
- ◆ Net surfing facility in the library for students
- ◆ Reading room
- ◆ Separate toilets for boys, girls, and staff

These infrastructural facilities provide comfort to students and staff to conduct various activities in the college. The college has various departments & committees like NCC, NSS, Gymkhana, Student Welfare department, grievances Redressal cell, IQAC cell, It is due to the infrastructural availability all these departments function effectively and smoothly college has conducted different short-term courses and certificate courses in the college. The college also provides the infrastructural facilities for government activities and community activities for establishing rapport with them for the benefit of the students.

Student Support and Progression

The mission and the vision of the college reflect the student centric culture of the college. The college ensures maximum support to the students for their development. The college provides financial support to the students with the help of scholarships, freeships and other scholarships of different NGO's like friends forever, friends for children etc. Even community support is also availed to support the students. To reduce the financial burden of admission the college provides installment facilities to needy students. 'Earn and Learn Scheme' in the college supports students to meet their daily expenses. The needy students are given priority in Earn & Learn Scheme. The students are motivated in the college through curricular, co-curricular, extra-curricular and extra mural activities. The college conducts various useful extension activities for the students. The college has taken the efforts to make the students more competent and resourceful.

Governance, Leadership and Management

The college has its mechanism of governance, leadership and management. The management, principal, vice-principal, IQAC coordinator, faculty coordinator, HOD's, class teachers and subject teachers work collaboratively and individually for effective governance ,leadership and management. The IQAC helps the departments and committees to prepare annual plans of their respective departments and committees for better implementation of activities. The local managing committee monitors the function of the college. All the departments and committees have a chairman and members who take the responsibility of their committee by planning and executing the activities. They work together for the effective functioning of the activities. The class teachers and Head of the departments inform, instruct and monitor respective classes and departments. The field work and study tours are implemented department wise. The college has constituted different committees for the smooth functioning of the activities

Institutional Values and Best Practices

Our college works in a rural area where majority of the students belong to schedule tribe. Naturally, we have more challenges to face. Our college tries its level best to provide maximum possible facilities to make the students aware about the changing educational scenario and the possible challenges the students are going to meet in future. Having this view in mind, and being socially responsible ,the college conducts different activities and programmes to help the students to face global challenges. The college is trying to improve in its functioning by implementing crucial activities based on value education, social and national development, gender equality, health, academic excellence, legal awareness, programme innovative practices, use of ICT,

awareness raising programmes. The college has emphasized on the extensive use of ICT and different extension activities.

Mechanism of internal assessment is transparent and robust in terms of frequency and variety

Response:

The internal assessment system of the college is transparent and having variety. The examination department of the college conducts examinations very strictly and systematically implementing all the university norms of examination. Apart from university examinations, the assessment process is managed very effectively by the examination department in the college. Every year, the assessment process is implemented in a transparent way. The college has been implementing the following activities continuously which highlight variety, transparency, and frequency:

1) Orientation programme for first-year students: In the orientation programme of first-year students, the students are made aware of the procedure of assessment in the college.

2) Supplementary examinations: The supplementary examination is conducted for the students who fail in the term end examination. The questions papers are prepared and assessed by the respective subject teacher.

3) Unit test: Unit tests are conducted in the college. The departments conduct the unit tests considering the importance of the topic and nature of question paper. After the examination, the answer papers are shown to the students and feedback is given. Moreover, the teachers suggest the techniques to the students considering their mistakes and problems. It helps to the student for term end exam.

4) Term end examination: The term end examination of 60 marks is conducted in the first semester.

5) T.Y.B.A. workshop: Every year one day workshop on TYBA compulsory English is conducted to help the students score well in the final examination. All the subject teachers and class teacher of TYBA inform the students to remain present for this workshop. The format of the question paper and writing techniques are taught to the students.

6) Tutorials: Every year 2 tutorials are conducted in the academic year for the evaluation of students

7) Practical examination: Practical examinations are conducted as per the rules laid down by the university. External supervisors are appointed as per the rules and regulations.

8) Use of ICT as a tool of assessment: The teachers and students make use of ICT to study, understand and enhance their understanding of the syllabus. Concepts, terms, definitions, explanations, critical comments, remarks etc. are viewed by the teachers and students.

2.5.3 Mechanism to deal with examination related grievances is transparent, time-bound and efficient

Response:

College takes decisions for prevention of misconduct in the examination. To prevent misconduct in examination the college displays notices for the students. The mobile phone is not allowed in the class. The examination department conducts a meeting every year before the term end examination and annual examination. In the meeting, all rules regulations and precaution measures have been discussed and implemented. All the teachers work together and conduct examinations very strictly. All the efforts are taken to prevent misconduct.

The different internal senior supervisor is appointed for each session of the examination. All the junior supervisors are given strict instructions about the rules and regulations of the examinations. The flying squad is also appointed by the college for the smooth functioning of the examinations. The copy cases are strictly forwarded to the university. In the term end examinations also the students with any kind of copy cases are punished.

The University squad during their visit to our college has reported in the remark book about the strict discipline of the college in preventing copy cases. The University squad's separate register is also maintained. All the junior supervisors in the college strictly inform the students about the examination rules and punishment. The police station has been informed about the examinations in the college and their representatives remain present during the examination period.

The college has maintained the record of copy cases. The college is under CCTV surveillance which keeps the campus calm and quite. The security of the college helps to maintain discipline in the college. To prevent the students from writing on the benches and walls, the examination blocks are locked very soon after the examination and opened at the time of examination.

The examination circulars are displayed on the notice board and on the campus to restrict the students for copying. The identity cards and examination receipts are strictly observed by the junior supervisors at the time of examination

4.2.2 Collection of rare books, manuscripts, special reports or any other knowledge resources for library enrichment

Response:

Library of our college has many rare academic books which are used by the faculties itself. The library has a vivid collection of books and manuscripts that are donated from the personal library of alumni, teachers, and students. Books are well preserved and are taken good care so that they may serve a lot of students and be in good condition. ?

Library is an important source of knowledge which provides assistance to the students. Library provides national and international magazines, textbooks, reference books, novels, dramas, poems which always updates the academician. There are many books that are available in the library and online data too is available. Our library also provides e-journal, e-books made available to the students. Our library has collaborated with other libraries in the nearby colleges like Annasaheb College Manchar, Shiv Chatrapati College Junnar, HRM College Rajgurunagar and Desai College Pune. This collaboration is important for undergraduate and post-graduate students as they are able to access all the other books that are present in all those other college library and college librarian makes it available for the students to exchange those books.

The library has a number of books on humanities, arts, medicinal, social science, commerce, management, physical and natural sciences. The books in the library are not accrued in conventional manner but are meticulously amassed so that the student will have no problem in getting the information.

Our library takes an initiative to provide huge material to the researcher in programs like under graduation,

post-graduation. We have made some specific arrangements like separate space and all required infrastructure to the researcher. There are many books that are not available in markets or are not printed today; such important books are important to contribution of knowledge to the students. For this purpose our college takes effort to collect these rare books from the Pune district. We prepare a plan to collect these rare books from various sector. We organize meeting under the chairmanship of principal and decide a plan for collection of such books and manuscripts. we request people to donate the books for the library. We collect those books from their home place or else we provide transportation allowances to those who personally visit and donate books.

Secondly we organize door to door visit and give information regarding the importance of books and request people to donate books for the library and many people do donate books. We also send letter to various people who are well known reader and have number of books and request them to donate some books or suggest some books so that our students will have a better referral books.

We have a collection of 31 rare books like Parliamentary Government in England by George Allen in 1938, The Modern State by Maclaver in 1960 etc. such books that are important and provide a good insight for every students who seeks knowledge

IQAC has conducted meetings with the teaching faculty twice in a year. The teaching methodologies and learning methods were discussed in the meeting. IQAC has suggested the teaching faculty to make use of innovative methods of learning and teaching. The IQAC has suggested the teaching faculty for using new ways of learning. The IQAC has seen the planning of all the departments and committees and suggested accordingly. Many departments are appreciated for conducting tests, tutorials, group discussion and seminars. English department has conducted one day workshops and preliminary examinations for TYBA students almost every year.

The student's adoption programmes has been suggested by IQAC to be implemented every year at special level for understanding their problem and for supporting them by knowing their problems and needs. As per the IQAC suggestion SMS facility was started in the college for informing messages to the students. The IQAC has made all the departments and committees to make their annual planning and they are suggested through the meeting to implement the activities according to the planning of their respective department.

The IQAC has suggested to all the departments and committees to make use of ICT for better understanding and enhancing our knowledge of a particular topic. As per the suggestion of IQAC special extra classes have been conducted. The remedial coaching has been provided for slow learners. IQAC has advised the departments to take special attempts for slow learners and advanced learners.

?

1. Special support to advanced learners & slow Learners

The suggestion of IQAC has been implemented in the college and accepted by the institution. The IQAC has tried to understand the problems of the students. Most of the students in the college live in tribal and hilly area and transport is the main problem for them to attend the college in time. Naturally, they miss the lectures and find it difficult to cope with the other regular students. Even some clever students need special guidance and advance reference material for excellent achievement. To meet both the problems, the college has supported the students as per the IQAC suggestion, by providing facilities for advanced learners and slow learners.

The slow learners are supported with remedial teaching for which special lectures are conducted for the slow learners for enhancing their understanding of the syllabus. The library provides one extra book for advanced learners and slow learners. The parents are also suggested through parents meet for their support. The special guest lectures are conducted in the college for supporting slow and advanced learners. English department conduct extra classes for repeaters, one day workshops and preliminary examinations. All the department through class adoption project tries to understand the difficulties of the students through personal counseling and guides them at the same time tries to provide the facilities which they require.

Response:

B.D. Kale Mahavidyalaya undergoes with the complete transparency at each level. Financial expenses are utilized as per the rules and norms of the University. The college has complete transparency in its various committees. The purchase committee of the college invites a quotation of the material whenever the college needs any material for the academic purpose. The purchase committee calls the meeting to get the suggestions of the members. After approval of all members, committee sanctions the expenditure that is of course determined through invited quotations.

The college prepares the annual plan of an academic year and an academic calendar is prepared to focus on the various activities and programmes. For this purpose, various committees are formed to undertake the activities and programmes. Therefore, it helps the college to form well-planned system.

The college is functioning according to the hierarchical system as follows:

Principal – Vice Principal – H.O.D – Coordinator – Class Teacher – Teacher – Student

In this way, the college follows the decentralized system which is transparent in nature. The college organizes Programs and activities for the students. Teaching and extension activities are student oriented.

Administration of the college supports the students by working for them in a very systemic way. All the administration sections are computerized and prefer the use of ICT. To ease the process, the college has software in order to provide quick and better service to the students. The college has designed the website for the stakeholders to provide the important information regarding Institution, Administration, Admission, different courses, and activities. The college uses Vruddhi and Master Soft ERP solutions software for the smooth functioning of the processes of admission, accounts, and examination.

The structure of the college is well-planned and therefore it would become easy to solve the problems of the student through decentralization system. The library of the college is computerized in order to provide quick service to the students. The students get advantages of online books, journals, and periodicals through *INFLIBNET N-LIST* software and *Libreria Management* software is used for charging and discharging the books.

I.C.T is used in all the departments in the college. Library, Admission and Examination processes are performed with the help of ICT. The college provides free internet facility to the students in the library. Teaching and non-teaching staff voluntarily provide the helping hand to the government offices and NGOs and serve the society.

Best Practices

-

Workshop on Legal Awareness: The college organized a workshop on Legal Awareness' in collaboration with NSS, and Ambegaon Taluka Bar Association. Hon. Patil, the judge of Ghodegaon Court was the chief guest of the inauguration function of the workshop. In his presidential speech he remarked, 'law is crucial in its nature. Student should acquire the basics of it'. He guided briefly about the process regarding 'will (testament)' and necessary documentation for it. He interacted with students and clarifies their doubts. Adv. Nilesh Shelke, talked about the importance of RTI Act and Prevention of Ragging Act as well.

Voter's Registration Programme: The aim of this activity is to make the students aware about their voting right and help them to get enrolled as the voter by arranging voter's registration programme. Many students are not conscious and aware about the voter's enrolment Programme. The College has made the attempt to create consciousness and awareness among the students by arranging voter's registration camp in the college. The college also has done the crucial role by enrolling the students as voters.

Snake Awareness Programme: The college has taken the help of two MOUs 1. *Nisargsahas Sanstha* and *Rural Hospital Ghodegaon* to know the types of snakes. The attempts are made to create snake awareness among the students. The different types of snakes are shown to the students with the help of snake friend even the snake friend has shown some techniques of how to hold the snakes. Some venomous and non venomous snakes are shown to the students found in this vicinity. The procedure of primary medical help is given to the students. Mr.Dhananjay Kokane and Dr.Theurkar discussed with students about so many issues regarding snakebite. Dr.Sadanand Raut who has started a hospital for snakebite patient guided the students.

Nirbhay Kanya Abhiyan was implemented on 04/01/2016. It was a full day activity. The programme was inaugurated in the presence of management members. Dr.Purushottam Kale, Mr.Santosh Shahane, Dr.Mrs.C.D.Jadhav and Mrs.Vaishali Savant guided the participants and made special attempts for the complete personality development of girls. Among the ladies teaching staff of the college Mrs.Autade, Ms.Salve, Ms.Borhade, Mrs.Temkar participated actively in this activity.
