

The Principal of college proposes extension, construction and renovation of the existing facilities of equipment and other infrastructural facilities. It is mainly done by keeping in view the addition in courses and number of students. To make optimum use of the existing infrastructure for teaching and learning, time table of UG and PG is designed in a systematic way. Institution keeps record of all kinds of curricular and co-curricular changes and up gradation in academic aspects. Accordingly, it allocates financial resources to strengthen the activities and their continuity is taken care of. College has technical support staff for maintenance and upkeep of facilities like furniture, computers and certain types of equipments. Services for maintenance of building, certain equipment, ground, campus, etc are outsourced. The college takes necessary care and precaution towards the maintenance of its infrastructure, facilities and equipment. Water and drainage line are regularly maintained. Cleaning work at the college is outsourced and sometimes NSS volunteers, teaching and non-teaching staff undertake the work of cleanliness of the campus on the occasion of the national and international days. Electric fittings are regularly checked and replaced whenever necessary by the two electricians appointed in the college. They are always on their rounds to check electric fittings and promptly attend to all staff whenever there is a need for their services. Two Plumbers and a building supervisor look after building maintenance and sanitation facilities. Colour and patching of the college premises is undertaken on an annual basis. Furniture including benches, desks, tables, cupboards and chairs are repaired and some are replaced by two permanent carpenters appointed by the college. System Administrator looks after the work of proper functioning of computers, printers and servers. Technicians are called for repairs of LCD, computers, laboratory equipment and apparatus.
