2018-19**

---

## **TYBA General Course (G-3): Local Self Government in Maharashtra**

### **Objectives:**

1. To introduce the structure of local self-government in Maharashtra.
2. To make students aware of institutions, functions, and compositions of local bodies.
3. To understand the role of local government and leadership in development.

### **Course Outcomes (COs):**

1. CO1: Trace the historical evolution of local self-government in Maharashtra.
2. CO2: Explain the recommendations of various committees (Naik, Bongirwar, Patil).
3. CO3: Assess the significance of the 73rd and 74th Constitutional Amendments.
4. CO4: Describe the structure, powers, and functions of rural and urban local bodies.
5. CO5: Analyze the role of leadership and challenges like finance and participation in local governance.

## **TYBA Special Paper S-3: Public Administration**

### **Objectives:**

1. To introduce the discipline of Public Administration in historical and modern contexts.
2. To understand categories and approaches to public administration.
3. To analyze the emergence of New Public Administration and concepts like governance.
4. To study issues of accountability and control in administration.

### Course Outcomes (COs):

1. CO1: Define the scope, significance, and approaches of public administration.
2. CO2: Evaluate the features of New Public Administration and governance models.
3. CO3: Explain bureaucracy, personnel administration, and budgetary processes.
4. CO4: Analyze mechanisms of accountability and control (legislative, judicial, administrative).
5. CO5: Apply concepts of e-governance and PPPs to contemporary administrative issues.

## **TYBA Special Paper S-4: International Politics**

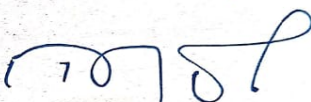

### Objectives:

1. To introduce concepts and theories of international relations.
2. To study the role of power, balance of power, security, and diplomacy.
3. To understand conflict, disarmament, and collective security in the global order.
4. To examine emerging global issues like human rights and terrorism.

### Course Outcomes (COs):

1. CO1: Explain the nature, scope, and major theories (idealism, realism) in international politics.
2. CO2: Apply different approaches (power, decision-making, systems) to analyze global issues.
3. CO3: Analyze concepts of power, balance of power, and security in the changing world order.
4. CO4: Evaluate the role of diplomacy and disarmament in conflict resolution.
5. CO5: Critically assess contemporary issues such as human rights and terrorism.
