Students' Feedback Report - 2020-21

The feedback committee of the college takes the feedback from stake holders, employer & parents for the enhancement of quality education and requisite infrastructural facilities of the institute. In the academic year 2020 – 2021 due to Covid - 19 pandemic situation the teaching & learning process was carried out through online process. Hence the feedback of students was collected by providing them the Google form on their Whatsapp groups as well as on the college website. The various types of feedback forms like Students Satisfactory Survey, alumni feedback on curriculum, employee feedback on curriculum, parent's feedback on curriculum, alumni feedback on curriculum, student's feedback on curriculum and teacher feedback on curriculum was made available on college website.

The feedback from students about the evaluation of college was also taken by using 4-point scale. The students of college uploaded their feedback on the college website. These responses were analysed and the analysis report was submitted to IQAC cell of the college. Some valuable suggestions about the overall development of college were given by students.

The syllabus included is relevant with current and applied context, hence the students are satisfactorily agreed with the university syllabus. All the teaching faculty delivered their regular lectures with full preparation and also teachers are having good communication with students. The continuous evaluation of students was done by taking unit tests, home assignments, internal test and regular university examination. Most of the students are well satisfied with the continuous evaluation process. The institute has been taking sincere efforts in training programs and field projects for the progression of students. The college is conducting the Mentor - Mentee scheme as institutional best practices for the student's academic, social and emotional growth. The students are guided regarding their overall performance and difficulties.

The academic, curricular, extracurricular and extension activities were carried out through various committees framed by the institute. Each committee attracts the students towards extracurricular activities and take care to engage students in participating various activities of the college. Efforts were also taken to strengthen and inculcate soft skills, life skills and employability skills among the students. Most of teachers are using ICT tools such as LCD

projector, Multimedia, etc. in their regular teaching for continuous up-gradation of quality of the teaching learning process which was the need of Covid -19 pandemic situation. The college has a you tube channel on which the educational videos prepared by the faculty was uploaded. Students make use of these videos for their studies. Students were also provided the study material in the form of pdf file. On their Watsapp groups. The overall Students satisfaction survey rating about quality of teaching-learning process of the institute and the online teaching process was found to be good.

The following important suggestions were given by students. These are - to organize Campus interview for undergraduate students, need of organization of more career guidance lectures, more use of ICT technology in teaching. In the online teaching process students felt the problems of network, poor audio and video quality on google meet, economic problems and health issues. Feedback was prepared with the help of questionnaires. Total 131 feedback forms were collected from students in academic year 2020-21 for student's satisfactory survey.
